SHARPAK Safe & Sound wall unit

Every day of the week, at any time, people need to use disposable syringes to administer medication. This self-treatment results in the problem of what to do with used sharps.

SHARPAK Healthcare has developed a wall mounted lockable secure container. The SHARPAK Safe & Sound unit can be quickly and easily fixed to a wall in public toilets and rest rooms in locations such as Motorway Services, Railway and Bus Stations, Airports, Shopping Centres, Department Stores, Hospitals, A+E Departments, Ferries, and in fact, any place where public could find themselves needing a safe way to dispose of a used syringe and needle.

SHARPAK Safe & Sound is fitted with a lock which retains the key when the front panel is in the open position during container replacement.

The SHARPAK Safe & Sound wall unit offers following features:-

- USED SHARPS KEPT SAFE FOR COLLECTION & DISPOSAL
- DISPOSABLE BS & UN TYPE APPROVED SHARPS CONTAINER
- SIMPLE AND QUICK TO FIX TO ANY VERTICAL SURFACE
- LOCKABLE FRONT PANEL
- POWDER COATED FINISH FOR LONG LIFE
- COST EFFECTIVE
- CAN BE SUPPLIED IN COMPANY OWN LABEL*
- UNITS TO ACCEPT SHARPAK 18 PLUS AND SHARPAK 60 PLUS CONTAINERS
- WALL UNITS TO ACCOMMODATE LARGER SHARPAK SHARPS CONTAINERS CAN BE MANUFACTURED ON REQUEST

*Subject to the quantity, the SHARPAK *Safe & Sound* wall unit can be supplied finished with your company logo and contact telephone number as well as being painted to match your corporate colours.
